This is the last newsletter of the Spring term. And what a busy term it has been!

Science Week was a great success - you can get a taste of the buzz we experienced by looking at the photo gallery on the school website.

Miss Humphreys is recovering really well and we now expect her back on 26th April.

We hope you can join us at 9.30am on Wednesday 31st March at St. Peter and St. Paul Church to enjoy our International Easter Service.

Next Thursday, the 1st April, is the last day of term. After that we shall look forward to seeing all the children back in school on Tuesday 20th April.

We wish Mrs. Penty well for her Summer term secondment as Acting Head at Thriplow Primary School. We are very happy with the arrangements we have secured to cover her absence.

Swimming Arrangements

Work on the new school pool will commence over the Easter holiday and it will be completed before June 2010. We are all very excited about using the new pool during the Summer term.

We are now thinking ahead to arrangements for non-curricular swimming for our pupils and wish to share the following important information with you:

* Pupils wishing to have access to after school, weekend and summer holiday swimming must be a member of the School Swimming Club.

* This year, membership for the season will be £20 per child.

* A parent/carer of each member must have completed the annual ‘resuscitation training’, provided by the school#. The sessions for this training are at 9.15am on Tuesday 27th April and 7.00pm on Thursday 29th April.

* The pool will only be open if there is sufficient support from parents, who are required to participate in the duty rota (two parents per session).

* Please come prepared to sign-up to the Club at the resuscitation sessions and to nominate days on which you can participate in the duty rota.

We are delighted that families have demonstrated their support for the new school pool through the successful fundraising coordinated by the PTA. Our fingers are firmly crossed for a hot and dry Summer!

# SMASH will cover this obligation for their members
Year 6

Well done to Francesca and Daisy for winning the Class Competition set last week: the challenge was to find the most number of words using only the letters from the phrase: “National Science Week”. Both girls managed to find at least 464! Ella and Caitlin were Runners Up with 307 words each, closely followed by Annie with 283. Well done to Eleanor (178) and Harriet (143) also. The boys seemed to lack stamina in this event as none of them managed over 100 words. Well done to Ted and Edward (88), Daniel (69), James S (75), Oscar (56) and Saul (41) for taking part. Ella won the challenge to find the longest word possible: nationalise.

This week got off to a flying start with the Sports Relief Mile on Monday afternoon. Well done to Year 6 pupils for helping Mrs Miller to organise and lead this whole school event. On Wednesday this week, Andrew, George, James C, Annie, Amelia and Lily represented the School in the Tag Rugby finals. Please see the separate report. Thank you to Mrs Miller for organising our participation in this event and to Mrs Timms for kindly providing transport.

In Literacy, the children have worked very well in groups to research and deliver a presentation to the rest of the class on the 6 different types of non-fiction text: persuasion, recount, report, discussion, instruction and explanation. A variety of resources and approaches were used (including electric guitars and a Lady Gaga impressionist!) which were highly entertaining whilst helping us to complete important revision for SATs Writing tests in May. We also found the time to undertake a practice Reading Test this week. The Class Book Swap is proving to be very popular amongst the girls; Daniel Orton is waiting for more boys to bring in some books to exchange please!

In Numeracy, we continue to work on Fractions and have focused on finding equivalent fractions, ordering fractions, improper fractions and mixed numbers. Please note that next Monday and Tuesday, we will do practice SATs Maths Tests so it would be very useful to undertake Numeracy revision games and activities this weekend across all areas.

This week we have also completed our Science topic on Micro-organisms with an end of unit assessment. We have been preparing for the Easter Service where all children will be involved in the narration of the Easter story in Church, as part of our celebrations. Each child has received a short speaking part to practise this weekend. We will also be leading Key Stage 2 in singing a song from Pakistan, Khudaya Rahem Kar.

Please be aware that the following homework activities have been set for the Easter holidays:

**Spelling Practice:** The children have received a compilation list of spelling words to practise and learn for a house team competition that will be taking place in the Summer term. (This list of words is taken from the previous SATs spelling tests. It has also been put on the Class Webpage. As you can see, all the words contain traps or follow different patterns.)

Homework to be completed and returned by Wednesday, 31st March please: Choose at least 10 words from the SATs spelling list and make up a mnemonic for each one – to help you remember how to spell it. eg. For the word STRIPES: “Sally Turns Red In Parties, Eating Smarties”. (We will be comparing and swapping mnemonics in class.)

**Literacy:** Mrs Corner’s Booster Writing Groups – instructions to be sent home separately. For next Thursday, complete your final paragraphs for your draft report. In the holidays, check and edit your draft report to produce a final version. To be handed in on Thursday, 22nd April please.

**Maths:** Please read (and try to remember) Section 1 – Number and Section 2 - Shapes and Solids from the CGP KS2 Maths (Brown) book. There will be a quiz based on this information on our return to school.

In any other spare moments… please remember that there are excellent revision activities (particularly for Maths activities) on BBC KS2 Bitesize, Coxhoe Durham and Woodlands Junior School in Kent which are highly recommended.

All Year 6 parents should have received a separate information sheet this week with the timetable for SATs week in May, together with details about a very useful website that explains all about the tests and how best
YEAR 6 CONTINUED....

to support your child. If you did not receive a copy of the sheet then please let me know and I will send another one home. It is also featured on our Class Page on the School’s website.

And finally, we are very sad to be saying goodbye to James Beardmore who has been at Steeple Morden School since Reception Class. James will be transferring to The Heritage School in Cambridge at the beginning of the Summer term where he will remain for his secondary education. We have many happy memories of James and want to wish him every success in the future.

I hope that you all have a very enjoyable Easter holiday with the opportunity for rest and recuperation.

Thank you for your continued support,

Nadia Stanbridge

Reception

We have been learning all sorts and been very busy in Reception this week and last!

All of the children loved Science Week, especially the assemblies and experiments. They have made Miss Humphreys a small book with a picture of themselves and wrote about their favourite part of Science Week. Mrs Dix and I went to visit Miss Humphreys and she is in high spirits and looking well.

We have taken in the children's library books all ready for the Easter holidays. We will be taking in the reading books on Friday but please keep sending in the wallets everyday.

After P.E it has come to our attention that not everyone has their clothing named, which proves problematic as it results in lost clothing.

The children are getting tired now as it is coming up to the holiday and next week we will be having a focus on Easter. The children are really looking forward to our Easter activity day on Thursday, especially the egg hunt!

Have a lovely half term!
Miss Caldwell and Mrs Dix

**Medals awarded to all those who complete the Triathlon**

Places are limited to 120 and will be allocated with on a strictly first come first served basis. Entry costs £6.

**Final entry date Friday 30th April 2010**

If there are any local companies who wish to help support this event, please get in touch.

All proceeds go to Leukaemia Research
Helping raise vital funds to save lives
Registered charity 216032 (England & Wales) SC037529 (Scotland)

**ROYSTON FUN RUN**

**Sunday 18th April 2010**

The school will be taking part in the Royston Sponsored Fun Run again this year. Children can run with their parents or a school group led by Mrs Miller. If you would like your child to take part please could you fill in the permission slip below and Mrs Miller will send you an entry and sponsorship form. All monies raised will go to school.

Year 3

This week we have been learning about lines of symmetry, using mirrors to reflect shapes, and peg boards to make our own patterns and the whiteboard to copy patterns. Homework this week will be on this topic.

Next week we will be thinking about Easter in R.E., and learning a special song for the Easter Service. We look forward to seeing you there.

Also we are starting to learn how to present a set of instructions. Over the Easter holiday we would like you to choose and prepare an activity which your child can present as a set of instructions. This could be a recipe, a Science experiment or something to make—for example. A sheet giving details will come home next week.

Finally Mrs Harley would like to thank all Year 3 parents for their support during the year. She is sorry to be leaving the class and will miss them. However, at least she will still see them all at break times!

*The Year 3 Team*
**Year 5**

The children have been challenged to make a model of their own house using cardboard boxes over the Easter break.

Ideas to support and extend your child’s learning:
- [www.hamiltonathome.org.uk](http://www.hamiltonathome.org.uk) look at ‘helpful English activities’ and ‘helpful maths activities’
- [www.mathsisfun.com](http://www.mathsisfun.com) find ‘math trainer-multiplication’ under ‘numbers’.
- [www.nrichmaths.org](http://www.nrichmaths.org) for challenging investigations

In our narrative poetry, we have inserted photos into our group poems and presented to the rest of the class. These presentations were recorded, played back and we analysed our group work. If would be great if the children could share narrative poems with you eg. The Listeners by Walter de la Mare and The Pied Piper of Hamelin by Robert Browning.

We have continued to study ‘The Ghost of Thomas Kempe’ and have been thinking how to indicate a character’s feelings through how they act and what they say.

In Science this half term the children have been learning about Sound and will have an end of unit assessment before the end of term. Last half term the topic was the Earth, Moon and Sun. They did a similar end of unit test before the holiday. On return from the holiday, we worked through together it and talked about any misconceptions as well as how to use data to answer questions. Next term we will be looking at Healthy Living and Life Cycles.

Have a great break.

The Year 5 Team

---

**Year 1**

I cannot believe it is nearly the end of term! I have thoroughly enjoyed teaching your children and will think of them often next term. I know that they will be very happy with Mrs Harley. Thank you all very much for your support and I look forward to seeing you again when your children are all grown up in Year 2!

We have had great fun this week pretending to be Quentin Blake. The children have done some wonderful illustrations copying his style; you are very welcome to come into the classroom to admire them.

Reading books will be collected today. Please remember to send in flowers, foliage and moss on Monday for the Easter Garden. The Bonnet Parade will take place in Church on Wednesday and in school on Thursday………!

I hope you all have a very restful holiday.

With very best wishes
Victoria Penty
Aimie wore a psychedelic dress to the party. Aimie Taylor, Reception

My cub uniform looks psychedelic with all my badges on it. Samuel Turner, Year 3

I saw a man wearing a psychedelic shirt. Harry Bolt, Year 1

I saw a man his trousers were psychedelic. Joe Batch, Year 1

I turned and saw my favourite psychedelic, beautiful pretty wallpaper that had just been put upon the wall!! Olivia Butterworth, Year 4

I saw a psychedelic bird. Issac Summers, Year 1

The rainbow is psychedelic. Ellie Blackburn, Year 1

“Wow mum those high heel shoes look cool because that are psychedelic!” exclaimed the little girl. Lydia Cornwell, Year 3

I drew a psychedelic picture with swirls and bright colours. Maddy Wainwright, Year 1

The psychedelic patterns of the material in the new shop were overpowering. Harriet Finlayson, Year 6

Morden Players' Young Players Workshop

Following the success of the Young Players Weekend led by Ashley Rolfe last year, the Morden Players are running a similar event during Easter 2010. Ashley will be helping again. The workshop will run from the 6th to the 9th April so it won’t conflict with people’s weekend plans. It will run from 10:00 to 16:00 each day with a performance taking place Friday Evening.

The cost will be £15 per child. The workshop is targeted at years 6 to 10 (ages 11 to 15) but we will do our best to accommodate enthusiastic individuals just outside this range.

Please apply to Keith Rowland by email: keith@rowlandk.demon.co.uk

Congratulations to...

Holly Anderson who has achieved level 9 of the National Plan Award in Swimming by ASA and level 9 of the proficiency Award in Trampolining by British Gymnastics

Johanna Anderson who has achieved level 2 of the National Plan Swimming Award by ASA.

Ava London who has been awarded her blue belt in Karate.

Libby Taylor for passing Level 7 swimming and Level 6 Trampolining.

Ellienne Groom for passing level 4 trampolining.

Robin Community Pre-School is looking for a Deputy Pre-School Leader.

The post is for up to 20 hours per week (term time only) and will involve working Monday, Wednesday, Thursday and Friday.

Applicants should have a Level III qualification in Childcare, with a proven history in a similar setting.

They should be prepared to take responsibility for maintaining development records on a weekly basis as well as supporting other staff with respect to keyworking.

A willingness to liaise with parents regarding child development would also be essential.

Salary negotiable depending on qualifications/experience.

For further information or an application form please contact Katherine Briers on 01763 852159.

The deadline for applications is Friday 23rd April, 2010.
Year 4

Just a note to say a big thank you to all our parents for your support over the last term. After the holidays we are moving further east from Egypt in our Geography work, focusing on India and village life.

In Science we begin looking at habitats and will be visiting the Upware Nature Reserve towards half term (as in the Year Ahead document and a letter will sent home in due course).

Our class assembly is also coming up soon, on Wednesday 5th Mat 2010. It would be fantastic to see you all there!

Best wishes for a Happy Easter!

Mr Asher, Y4 Classteacher

PTA NEWS

A very big thank you to all of you that attended the Quiz night, we raised £742!!!

DATE FOR YOU DIARY
THE SCHOOL FETE IS ON SATURDAY 3RD JULY

‘Donkey on your Doorstep’
28th March Palm Sunday Parade
9.50am Litlington Recreation Ground
Followed by Service in St Catherine’s at 10am
All welcome
Church warden will have bucket and shovel at the ready!

EASTER CARD SALE BEFORE & AFTER THE CHURCH SERVICE
ON WEDNESDAY 31 MARCH

In aid of St John’s Hospice, Lancaster
Michael Smith, Ollie Targett, Owen Waller—Year 5
Fathers, grandfathers, and other father figures will remember stories which they heard or read when they were the same age as their children. It could be a story which they read, or a story from a film they saw when they were young. Or even a story which their father or mother told them. Ask your father or father figure to share a story with you. “What is the best day you have ever had?”. 

For those of you who ordered school uniform this half term, I am hoping to get a delivery next week and will attempt to send outstanding orders home by Thursday 1st April.

I will be placing the next uniform order on Monday 26th April. All orders need to handed into the school office by 12am on 26th. School Uniform Order Forms are available on the website or from the School Office.

The uniform suppliers tend to get very busy during the summer term and orders take longer to process. To ensure you receive any new uniform ordered before the end of the academic year, please make sure you send your order into the school office before the Summer Half Term. Any orders received in June & July may not be available until the new academic year.

Many Thanks, Lisa Noble
NEXT TERMS CLUBS (Please Note Changes)

Clubs next term start **MONDAY 26\(^{TH}\) APRIL**
And will run from **3.10 - 4.15PM**

**MONDAYS** Year 1 & 2 Summer Sports
**WEDNESDAY** Year 3, 4, 5 & 6 Athletic Club
**THURSDAY** Year 5 & 6 Cricket Club

**SPEED STACKING CLUB - NEW CLUB**
Wednesday Lunchtime with Mrs Crossman and Mrs Miller.

**YEAR 5 & 6 NTEBALL INTRA TOURNAMENT**
Last Friday saw the first annual Intra Netball Tournament at our School. Both Year 5 and 6 have had Netball as this half term’s outdoor PE activity. All teams played extremely well. The final was between Year 6 Carrantuohill and Scarfell Pike which proved to be a very close and exciting match with Scarfell Pike ending up as overall winners of the competition. The school has purchased a small shield “Inter House Netball competition” which will be presented in assembly to Scarfell Pike, and will be displayed in our new cabinet in the reception area at the front of the school.

Well done to all eight teams who took part, and special thanks to Mrs Capay and Mrs Barbour for their help in umpiring and time keeping.

**CAMBRIDGESHIRE AND PETERBOROUGH TAG RUGBY FINALS - 24 MARCH 2010.**
Eighteen teens from across Cambs and Hunts took part in the above finals. Steeple were placed in group 3 with St John’s Orton, Folksworth, Kettlefield, Wichford and Hemingford Grey. All of our matches were very closely fought and Steeple played superbly well, with some fantastic tries being scored. Sadly we did not reach the final and overall score was won 1, drew 2 and lost 2.

The children were very proud to have represented South Cambs in this competition and enjoyed their experience. The school is very proud of them, the team were:

Andrew Hutton
James Catterall
George Cleaver
Angus Few Martin
Tommy Compton

Amelia Gumble
Annie Timms
Ellen Jenkins
Emily Cornwell

Many thanks to Mrs Timms who helped with transport and to the parents who turned up to support the school

**2010 CAMBS CROSS COUNTRY RELAY**
Good luck to the children below who will be representing the school in the 2010 Cambs Cross Country Relay is on Wednesday 31\(^{ST}\) March

James Catterall
James Sharp
Charlie Alsop
Joe Failettaz
Andrew Hutton
Angus Few Martin
Tommy Compton
Ollie Targett
Harriet Finlayson
Lucy Catterall
Daisy Anderton
Jemima Crane
Ellen Jenkins
Iona MacDonald
Emily Cornwell
Kyla Tustian

The **SPORTS RELIEF MILE** was run by the whole school last Monday-well done to everyone, it was absolutely fantastic to see you having so much fun (and the staff too). The fastest mile was James Catterall and Edward Scare in a very respectable six minutes. Year 6 deserve big pat on the back for the help with the run, and special thanks to Mrs Crossman, Mrs Marriage and the rest of the staff who also made the event so successful. Year 6 tell me the whole school ran a total of 210 miles pretty impressive.

Maureen Miller
PE Coordinator

We had great fun on Monday running the Sport Relief Mile. All the children made a fantastic effort. We raised £172 for the School Pool and Khandel Light.

### Year 2

Unfortunately due to unforeseen circumstances last week’s homework was not given out; well done to all those who still managed to do it though. This week we’ve been busy planting broad beans, carrots & tomatoes. We have set up various experiments.

In Numeracy we’ve been measuring and reading scales. It would be great if you could reinforce this practical work at home, for instance when cooking - get your child to help measure the ingredients. Look closely at your scales.

Thanks

Kate Hall

Occasionally, we receive adverts from local businesses and organisations. If we feel they may be of interest to you as parents and carers, we will include them in the STAR. However, this does not necessarily mean the school endorses such products, events or services.
